

Lesson Design Planning Template

Big Idea What is the big idea that the learner will walk away with at the end of the lesson that is critical for learners at this stage of their learning path?	Learning Outcome(s) What specific things will the learner know or be able to do by the end of the lesson?	Evidence of Learning What does learning look like for this objective? (e.g., accurate performance of a task, correct use of terminology)	Assessments What will learners do to provide evidence of their learning? (e.g., a presentation, a test, a project)	Learning Activities What learning activities will allow learners to acquire and practice the skills necessary to demonstrate their learning and complete the assessment successfully?
Understand the what bullying is and how it works, and develop strategies to handle a bully	-identify what bullying is, and different forms it can take -learn strategies that can be applied then you or someone you know is being bullied	-accurately match from a choice of words different terminology/ definitions associated with bullying (ie. cyberbullying, verbal bullying) -accurately identify interventions that can be used to address each situation	-create a bullying presentation and implement strategies learned to diffuse the situation	-create a interactive multimedia presentation for students to work both individually and in groups -demonstrate strategies learned to handle a bully
